U12/13 Football v White Rose Academy

On Thursday evening 14 Upper 3 & and Lower 4 girls travelled to White Rose Academy to play in some indoor 7-side football fixtures. We played 8 x 5 minute games. Our girls really impressed me, showing some amazing skill, determination and teamwork against an older and more physical team. Of the 8 fixtures we won 2 and drew 2 in each age group. We scored some brilliant goals, the pick of them by Liberty Mack who was selected star of the match by the opposition.

U15 Girls Football v White Rose Academy

We were back at White Rose Academy on Monday to play indoor 6 aside football against their U15's. We played 4 games that were 10 minutes in duration and used a futsal, which is smaller and heavier than a regular ball. It makes it easier for players to control the ball, which is crucial to building the players' confidence in their first touch, especially as the majority of our girls are new to football. Our 14 Upper 4 and Lower 5 girls showed great determination and were competitive throughout. Of the 4 fixtures we won 2 and drew 2.

Special mention to Iris White who was outstanding in goal in all 4 games, and to Lydia Marsh who was awarded player of the match by the opposition.

U14 Netball v Roundhay School

Gateways 12 – 20 Roundhay

The U14 netball team got back into netball fixtures following the recent hockey and football fixtures. The girls started strongly by moving the ball through attack at pace and were keeping the oppositions heads moving by getting into space.

The 2nd quarter was a lot more challenging as the opposition were using their arms to block the vision and were marking a lot closer, which meant the girls were under pressure every time they received the ball. At the end of each quarter, the team were eager for feedback and wanted to improve on what they were doing. Discussions around having more than one option for the ball took place and they were able to execute this in the game.

The girls were always encouraging of each other and the game was played in a perfect manner. Both teams were very well matched and we look forward to future netball fixtures against Roundhay School.
