

Upper 5 Sixth Form scholarships

A number of hopeful internal and external Sixth Form scholarship candidates were put through their paces recently. Applicants for academic scholarships gave presentations on a range of topics, such as the disappearance of Agatha Christie, DNA and quadratic functions, before being interviewed by our Head, Dr Johnson and Head of Sixth Form, Mr Davison. Those who applied for more practical scholarships such as PE and Dance had to trial/audition for Mrs Braithwaite and Ms Malone.

Once they had presented, the external candidates then spent the day with the current Lower 6, with whom they attended lessons, met staff and spent some free and lunch time in the new Sixth Form Centre.

Mr Martin Davison
