

## Lower 4 tell us about a dream holiday

Lower 4 have been learning about holidays over the past few weeks and to finish the topic they all gave a presentation about an imaginary holiday. All of the pupils have been looking at key verbs and phrases using the past tense and they could let their imaginations run wild on where they had been on holiday, who they went with and what they did on holiday.

Above we have Eloise and Emily talking about their holiday in Germany, Lucas talking about his holiday in Scotland and Zac talking about a holiday in Jamaica.
