

Coronation fun

This week in Pre-Reception the children have been learning all about the upcoming Coronation of King Charles III. They have counted gems, matching quantity to the correct numeral and enjoyed their own afternoon tea parties in our palace role play.

On Thursday and Friday some of the children in Pre-Reception welcomed their parents in to the classroom for our 'Pop in to Pre-Reception' event where they decorated biscuits, made crowns and had lots of fun!

Well done Pre-Reception for a super first week back and have a lovely weekend.

Miss Sarah Birt
