

Ramadan

Over the last month many of our families celebrated the festival of Ramadan and Eid. One of the traditions during Ramadan is about encouraging people and children to do good deeds, connect with friends and family and help those in need.

The children in Prep school were set a good deed challenge to complete during the period of Ramadan. Each form was given 30 good deeds, varying from praising a friend, helping out at home and donating to charity. The form who completed their good deeds first would be rewarded with a treat. As always, the children in Prep took on the challenge with great enthusiasm and were keen to share with teachers the good deeds that they had done in and out of school.

A huge well done to Lower 2G for completing their good deed challenge first.
