

## Celebrating diversity

April is 'Celebrate Diversity Month' and Transition have been learning all about what diversity means.

We have learnt that diversity is what makes us special, unique and different from each other and that diversity makes the world an amazing place!

We talked about the things that make us special and unique and read the story about the uniquely colourful Elmer the Elephant. After reading about how Elmer came to accept his colours, we created our own patchwork elephants. Each one is special, unique and beautiful – just like the children themselves!
