

Lower 1 congratulate the King

Children in Lower 1 have been very excited to learn about King Charles III's upcoming coronation and were full of interesting questions for the King so decided what better to do than write to him and ask him these deep, meaningful questions. The children learnt all about what the coronation ceremony will entail and even how heavy the crown is (we decided the King must be very strong!). We are hoping that he enjoys reading our letters and we may even get some replies. Well done Lower 1!

Miss Beth Adamson and Mr David Woodfine
