

## Coronation celebrations in Transition

Last week, Transition went all-out with celebrations for the King's Coronation.

We created some Coronation-themed artwork, learnt about the life of King Charles III, wrote letters to our new Monarch and then had the most wonderful Coronation picnic for lunch. It has been so much fun!

The letters have been carefully written. They congratulate the King on his Coronation, tell him a little about ourselves and ask him some VERY important questions such as; "how much does the crown weigh?", "how many toilets are in the castle?", "how are the preparations going?" and "do you have a poodle?".

Last year's Transition class wrote to the Queen on her Jubilee and we were lucky enough to receive a reply - we are hopeful to get our own special letter back from the King himself!

We hope that you all enjoyed the weekend of celebrations!

Miss Beth Hayter and Mrs Heather Hallam
