

## Cherry in the bluebells

High school running club meets every Thursday lunchtime at 12.50pm outside the dining room. Everyone is welcome, from all year groups and all abilities; no experience necessary.

This week we took Cherry the school dog with us and we went through the woods over in the Harewood estate. We were treated to a beautiful display of bluebells which made it feel very spring-like. Cherry enjoyed her run even though she did get a little soggy, and she hopes to come with us again in the near future. Maybe she can encourage some others to join us?
