

Individual music competition 2023

I thoroughly enjoyed listening to over 30 performances in the individual music competition on Wednesday 10th May. There are so many talented musicians in the High School and we heard piano, flute, clarinet, drum kit, bass guitar, violin and vocal performances.

Ms. Heaton was our adjudicator this year and the well-prepared pupils made her job very difficult. Medals and feedback forms will be handed out in an assembly next week.
