

Lower 2 letter writing

This week, whilst Upper 1 have been away on their residential at Herd Farm, I have had the pleasure of taking Miss Avison's Lower 2 English group. We have been looking at letter writing and putting together our own thank you letters for all the team at Peat Rigg outdoor activity centre, where our Lower 2 and Upper 2 pupils enjoyed their own residential trip a couple of weeks ago.

It has been lovely revisiting the memories we made and the children have blown me away with their amazing writing skills and presentation.
