

Lower 6 prefect training

Immediately after their last exam, on Thursday, the new Prefect team met to begin an intensive two day and one night's training. A variety of discussion sessions, event planning, and team-building tasks were completed in good humour and to an immensely high standard. The shopping exercise, was completed with 42 seconds to spare; they didn't buy bags so had to throw the food straight into the back of the minibus though!

The evening was eventful, having provided Dr Johnson and myself with a 3 course dinner we then settled to events planning and a few games.

They completed the course very tired but having achieved a great deal in order to hit the ground running on the first day back after the holiday.

It was a most rewarding and engaging two days and whilst I wish the team well, given their performance so far I don't think they'll need it.

Mr Martin Davison
