

Lower 6 art - portraiture

Lower 6 pupil Ellen has been using her grandma as a source of inspiration for her personal investigation into portraiture. She has been exploring a range of drawing and painting techniques in the style of her chosen artists, incorporating texture and line with biro pen, to further enhance the aged skin and define the wrinkles. Through these intimate studies, her attention to detail and use of layers not only encapsulates a physical likeness of her grandma's face, but also represents the spirit and character of her.
