

The Three Little Pigs

This week in Pre-Reception we have enjoyed reading *The Three Little Pigs* and learning all about this traditional tale.

The children have been busy designing their own houses based on the story, learning about different types of materials such as straw, wood and bricks and using stick puppets to role play the story.

Pre-Reception also got active outside, having a go at dribbling a football and scoring goals. As well as this, the children enjoyed the gorgeous sunshine in the park!

Have a lovely weekend.
