

Nursery rhyme fun in Pre-Reception

This week in Pre-Reception we have been singing lots of nursery rhymes and learning all about Humpty Dumpty! The children have sequenced the rhyme, built walls using Duplo and completed a Humpty Dumpty jigsaw.

With the arrival of some beautiful Spring weather, we have also enjoyed getting outside in the sunshine, using our beautiful grounds for walks, races and even rolling down the hill! We have discussed why it is important to wear suncream and the children were impressively knowledgeable on this topic.

Well done Pre-Reception for another amazing half term. Have a fantastic week off and we can't wait to see you for our final half term this year!

Enjoy the holidays.

Miss Sarah Birt
