

Prep School Council

The Prep School Council team have been working tirelessly behind the scenes to create posters for the dining room to support and foster positive behaviour at lunchtime. We are thrilled with the finished product. Images have been taken from the drawing and designs from the Prep children. We think they look fantastic!

Each class will have a poster and they will also be displayed in the dining room. Starting from the 12th May one class will be chosen by the School Council to sit at the 'Golden Table' - a reward for excellent behaviour at lunchtime! Fancy puddings, juice and golden accessories and hats will be worn by the winning class as well as a little golden treat to take away! The first 'Golden Table' has been awarded to Lower 2 - well done to you all!

It has been fantastic to work closely with Wayne and I know the children have found this very rewarding. I would like to thank all the children for their endless ideas! Their enthusiasm and dedication to Prep School Council has been fantastic. You have been wonderful to work with this year - great work team!
