U11 Cricket @ Terrington Hall

Terrington scored 269 runs, Gateways scored 242 runs

The Under 11 Cricket Team travelled to Terrington Hall to play a pairs fixture. In freezing conditions Gateways bowled first and bowled well. Showing accuracy and discipline with their line and length. In the field we had good energy, chased everything, and supported each other. We managed to take several Terrington wickets during their innings, Terrington finished on 269. We started our innings off relatively slowly, but lost no wickets, the latter pairs were forced to play more aggressively chasing the total. This resulted in an increased scoring rate but unfortunately brought more wickets with Gateways finishing just short of the target on 242.
