

The Golden Table

Last, week saw Lower 2A & G awarded the first 'Golden Table'. The decision was unanimous with votes from the School Council team, Wayne and his staff and the Prep School teachers!

Comments included; *"The teachers consistently sit and support their year group, they follow the 1 2 3 portion guide, and clean up after themselves!"* I've had some wonderful feedback from the pupils and staff too.

Introducing the 'Golden Table' has created a stir in the Prep School but pupils in High School including some of the teaching staff have asked if this is something that could be threaded throughout school. I know Wayne has some great ideas to appeal to the older pupils in school.

The next 'Golden Table' will take place on Friday 26th May. Watch this space.
