

Upper 3 Spanish busy revising for their examinations

It's everyone's favourite time of the year- the end of year examinations and Upper 3 have been busy preparing for their Spanish examinations. With their speaking examinations this week, they have spent time in lesson practising their answers and pronunciation in pairs before moving onto vocabulary practice to help them with their preparation for the listening and reading examinations. With revision booklets to help them with their grammar and writing skills, Upper 3 are ready to shine in the upcoming examinations. Above we have George and Balraj practising their speaking, Malaika practising her vocabulary and Tahlia being tested by Zahra.

Good luck Upper 3!

Mrs Kirsty Boyle
