U14/15 Rounders v Roundhay

Gateways 11.5- 12 Roundhay

A tightly contested match saw Gateways narrowly miss out on victory by just half a rounder!

A first innings deficit was almost turned around in dramatic fashion with the match coming down to virtually the last ball! Unfortunately for the Gateways' girls the winning strike came from their most able batter. Despite their best efforts in the field, their left hander was able to find the gap in the three fielders which was required to seal victory!

Well done to all those who took part and braved the extreme heat!

Mr Simon Scholfield

Cricket Update

Harewood CC has been the setting for our Upper 3 & Lower 4 games lesson this week. Having access to this fantastic facility is allowing many of our boys the opportunity to experience hard ball cricket, the wearing of pads and helmets and be able to face a true bounce with each delivery.

The glorious weather was matched by the focus and enthusiasm from the group as they simulated match type conditions and enhanced their skills.

The Upper 4 & Lower 5 group will have a similar opportunity next Monday as they warm up to play GSAL on the same afternoon.

Hopefully many of our pupils can be inspired by the upcoming Ashes series as England face Australia in a genuine Clash of the Titans.

Mr Phil Holmes

High School & Sixth Form
