

House Ultimate Frisbee - game 1: Beningbrough vs Harewood

Wednesday saw the return of the annual inter house ultimate frisbee competition, outdoors in glorious sunshine and troublesome wind. Senior pupils are busily studying for the very last examinations, so the juniors took the lead.

Beningbrough was captained by Ella, whilst Eloise led Harewood. The game started with all players adjusting to shorter throwing tactics as it became apparent that the customary long shots were not going to come off. Beningbrough put the first goal in, before Harewood equalised. It looked like the game might go back and forth in this fashion, with the team with the wind behind them scoring each point (you alternate direction each point to keep things fair!). However, when Harewood scored to pull themselves ahead, it was clear that they had worked out a new formula: they were just that little bit quicker in transitioning from defence to offence, scoring most points by picking up the disc close to the end zone and making a quick pass. The players with the disc usually found one of their U3s (Caitlyn and Emilia) in space for a swift goal. It ended with a 5-1 victory for Harewood.

MVP – Emilia (Harewood)

MIP – Daisy (Beningbrough)

Next week will see the final two games to wrap up this short competition. Newby will be playing the other two houses. Beningbrough are not out of things yet, and with two key players, Keira and Lily, returning to their squad, they will be much stronger in their second game.
