

House Ultimate Frisbee Game 2: Beningbrough vs Newby

After last week's victory for Harewood, Beningbrough needed a win in this first game to have a chance of defending their title from last year. Newby, however, had yet to play and were ready for them with the most impressive defence of any team. Sadie, their captain, disrupted Beningbrough's passing rhythm, but Keira controlled Beningbrough's play from the back. It was Newby that took an early lead. Despite Beningbrough's patient build up play, with Keira connecting with the likes of Ella and Daisy, Newby were just that bit quicker on the transition and wasted less time taking the easy scoring pass. Nevertheless, the best goal was scored by Aimee, who caught the disc running full pelt into the very corner of the end zone.

With five minutes to go, Newby still led 2-3, until Beningbrough equalised, leaving just two minutes on the clock. Finally, a long lead-pass was brought down by Ruby, who quickly popped it into the end zone for Ella to score. The game finished 4-3 to Beningbrough, who could now only hope Newby would take points off Harewood to level up each team.

MVP – Keira (Beningbrough)

MIP – Sadie (Newby)

House Ultimate Frisbee Game 3: Harewood vs Newby

The finale was set, but without Sadie for this game, Newby's defence might have foundered, but the White sisters thought differently. Iris cut out anything Harewood sent long, whilst Aggy was everywhere at once. Despite it requiring a slow build up, Harewood still managed to take a 2-0 lead.

Newby took a goal back and kept the game tight in the critical stage of the game. However, Eloise maintained calm for Harewood, and thanks to some very good catches from the likes of Emilia, it was difficult to cut out all their options and they ended the game 6-2 ahead. And with that, Harewood had their first every House Ultimate Frisbee tournament win.
