

Lower 1's chocolate story

This week Lower 1 took a trip to York's Chocolate Story to learn all about how chocolate is made and take part in some exciting activities. The children learned about the history of the Rowntree family and some iconic chocolate brands and then had a go at creating chocolate from cocoa pods to a chocolate bar.

Highlights of the trip included making and decorating their own chocolate lollies and lick-able wallpaper as part of the Willy Wonka workshop. All the children were impeccably behaved and superb representatives of Gateways. We're sure they enjoyed the trip just as much as all the staff who were able to take part and enjoy all the chocolate snacks!
