

Teamwork in games

In games this week half of the children were taking part in the Gateways cricket festival. As it was very hot the other half were in the sports hall working on our team skills. We began with dodgeball with the children working in teams to think carefully about their tactics to get the other team out.

We then moved onto Mr Arnolds invention of 'Taco Tuesday' the children communicated well in teams to ensure they did not lose their tacos!

Super work!

Miss Melissa Avison and Mr Mike Arnold
