

Lower 4 Spanish role plays and taster sessions for French and German

Lower 4 have been busy with languages over the last two weeks, starting with a morning trying out French and German. They will have the choice to learn one of these languages in addition to Spanish next year. Pupils loved having a go at the new pronunciation, seeing some differences between the languages and learning about the culture. They also did a treasure around school, finding the teachers who have connections with other languages including Gaelic, Afrikaans and Czech. Look at the clues in the speech bubbles below and see if you can match them with the teacher!

Returning to Spanish classes, Lower 4 worked in groups making up creative role plays arranging to meet or making excuses as to why they don't want to. They produced some excellent Spanish and drama, with lots of twists, misunderstandings and humour. Well done Lower 4!

Goeie dag, leerlinge!

Ek is 'n onderwyseres van wetenskap, maar my beste onderwerp is biologie. Ek is baie interessant in alle diere and plante ook. My beste dier is ook my beste vriendin – sy is my hond Murphy. Baie van julle weet dat ek 'n hond wat Murphy genoem is het, so hier is 'n leidraad vir julle om uit te vind wie ek!

Ek hoop dat julle geniet die dag baie.
