

Piano prodigies in merit assembly

In Prep merit assembly last week, we had a real treat, as we were lucky enough to hear not just one pianist, but four.

Ellie, Avneet, Ellie and Lilyana gave us a fabulous recital and I was so impressed with how well they performed, with no show of nerves at all. It is always slightly nerve wracking to play in front of the whole of Prep, and to sit and wait to play can add to this. I could not have been prouder of the poise they all had.

They were all very well prepared (thanks to their teacher, Ms. Roberts) and they had obviously been practicing very hard at home.

I have included the link below so that you can watch their wonderful performances:

Very well done girls!

Mrs Julianne Coates
