

Pupils vs teachers basketball match

On Monday 26th June, I hosted a pupils vs teacher basketball game. We had strong teams on both sides; the pupil team were Jere, Romero, Ishaan, Jamie, Alfie, Sam and Tom. The teacher team included Mr Scholfield, Mr Davidson, Mr Bahcaci, Daniel (from Sixth Form) and Mr Holmes.

Both teams worked hard, the first goal went to the pupils (from Ishaan), the teachers then evened with Mr Scholfield scoring the first goal for the teachers. The match was very tense going back and forwards with both teams trying to secure the win and fighting hard to win the ball. As the match progressed, you could clearly see who the stronger team were the pupils as they kept winning the ball and moving it up and down the court. You could also see the teachers wanting to win but in the end the win went to the pupils with the final score being 21-9. When the match was over there was no hard feelings and everyone shook hands. There will be more opportunities for the teachers to win in the future! I want to thank everyone who played and came to watch, it was a great event and very interesting and fun to watch.
