

## Shakespeare is coming to music night!

“If music be the food of love, play on...”

Keeping with the spirit of The Bard's immortal word, the music department has been generous enough to make its final music night, Friday 23<sup>rd</sup> June 4pm, a real celebration.

The Shakespeare performers in Miss Logue's Wednesday Masterclass sessions have worked really hard all year. After a brief hiatus to focus on exams, we are delighted that we are getting to show off some of the scenes the students have been rehearsing.

A huge thank you again to Mr Lenihan for allowing us to share the stage and give parents and supporters a fabulous final feast of drama and music

Miss Nina Logue
