

## Transition see Zog!

Last week, Transition went on a fantastic trip to the Carriageworks Theatre to see Zog live on stage!

The play was so well – done, it was a mixture of actors and puppetry with some very catchy tunes thrown in!

The children were captivated and especially loved it at the end, when they were all encouraged to sing and dance along!

Mrs Wallis accompanied us, which was lucky as she had the very important job of looking after Sir Gadabout's horse (a job she took very seriously!). Mrs Wallis also very kindly treated everyone to a delicious ice cream!

I hope the children told you all about it – it really was a wonderful trip and the children were very well behaved!

Miss Beth Hayter and Mrs Heather Hallam
