Old Gatewegians Reunited @ Prize Giving

We were delighted to welcome 18 alumni members to the reunion, both former pupils and staff. All those who attended reminisced about their time at Gateways and enjoyed a picnic lunch and refreshments whilst looking at the photographs and memorabilia on display.

Guests also attended the Prize Giving Ceremony and a tour of the school site.

"Thoroughly enjoyed the content, happy atmosphere and tour of the school. Thank you!"

"Just to say I had a great day with lots of reminiscing. I really enjoyed the tour of the school especially the new 6th form centre which blew my mind. So fortunate!"

"The communication and information provided was perfect and the event was very well organised. We were made to feel like royalty. Also, all the necessary details etc were well communicated in plenty of time so arrangements could be made by those travelling a long distance. It was lovely to receive information personally and be able to have direct contact with the organiser".
