

How can you help the Old Gatewegians Association?

How you can get involved

Being an Old Gatewegian is not just about keeping in contact with fellow and former pupils it can also involve provide inspiration and support to those who haven't left yet.

Mentors

We are looking for recruits to our Mentorship scheme. Your experience and advice on a one-to-one basis could be invaluable to those wishing to follow the same career path as you. Supporting pupils with work experience and job-shadowing opportunities is an invaluable aspect of their decision-making process.

University & Apprenticeship Talks

Deciding on which route to take after school is a crucial point in anyone's life. We welcome talks, presentations and real-world insight from those who have experienced University and apprenticeship programmes.

Career Talks

For those pupils who haven't yet made up their minds about what they want to do when they leave school, career talks are of great benefit. Why not come along to our Careers Fairs and tell us about your job and see if you can inspire some new minds to follow in your footsteps!

Skills building

You may wish to become involved in activities in school that help to develop and build crucial skills for life and the working world, such as, interview and presentation skills, CV writing, teamworking and problem-solving.

Memorabilia

The school's history is a vital part of the OGA. If you have any photographs, newspaper articles or any other memorabilia, we would love to add it to our displays. (All photographs/articles will be scanned and returned).

If you wish to contact us with regards to any of the above, please contact Ms Jane Olbison, Relationship Manager at Gateways School oga@gatewaysschool.co.uk or telephone 0113 824 2787.
