

Lower 2 host a Spanish café

This week, Lower 2A hosted a Spanish café for their parallel class to showcase their learning of Spanish breakfast foods and practise using Spanish phrases to order and serve food as a waiter or customer. Both classes thoroughly enjoyed pretending they were in the balmy heat of Spain with flamenco music playing in the background and a healthy mix of toastada con mermelada, magdalenas y chocolate leche!

A huge thank you to L2A who prepared themselves well, made menus, practised their vocabulary, set up the café and even brought their own aprons and chefs' hats to the occasion!
