

Lower 5 residential to Alton Towers

Last week, Lower 5 headed down to Shrewsbury for an action-packed couple of days on their end of year residential to Alton Towers Resort. After arriving at Splash Landings Hotel, the pupils went swimming at the water park, drifting along lazy rivers, drenched by cannons before taking on the jaw-dropping speed of the Master Blaster water coaster.

Before having our evening meal, the pupils enjoyed some free time, which included playing crazy golf and going to the arcade.

After waking bright and early, the group headed to the theme park where they had the opportunity to go on head-spinning, heart-pounding, world-class rollercoasters, like Wicker Man, Oblivion and The Smile.

The group were fantastic throughout, a real pleasure to be around, they have progressed and matured massively over the course of the year and are now well equipped for moving into Upper 5!

Thanks to Mrs Watson, Mrs Wilson, and Miss Logue for also attending and making the trip such a success.
