

Policy on the Supervision of Pupils

Safeguarding children is a priority at Gateways. Adequate supervision ensures safety both on and off campus and promotes well-being. Satisfactory enhanced Disclosure and Barring Service checks have been obtained for all staff. A written statement of safeguarding procedures is kept and implemented. Even when away from direct adult supervision, pupils of all ages are encouraged to develop skills in self-discipline to behave in an exemplary fashion. No person may smoke, consume alcohol or be under the influence of drugs which may impair the ability to look after children.

Children are supervised in numerous ways including:

- Duties (before, after and during the school day; see Duty Rota for detail)
- During timetabled lessons.

Risk assessments are carried out to ensure ratios are correct when off-site visits occur. When senior pupils (usually prefects) have supervisory responsibilities for younger pupils, there must always be the Duty Staff readily available and in overall charge.

At all times there will be a member of the teaching staff present in an examination room. When examination invigilation takes place in a remote location (such as the Sports Hall) a school mobile phone is always provided. (Refer to the 'Public Exams Policy' and 'Staff Handbook' for further information)

If a member of staff is supervising any activity in a remote location, they must have use of the school mobile phone.

Before and after school supervision occurs in Earlybirds, Sundowners and Homework Club.

Extra-curricular activities are supervised by dedicated staff members.

Academic supervision and progression are reviewed by form teachers and form tutors.

EYFS

Reception - where the majority of pupils will reach the age of five or over within the school year, the staffing ratio is 1:30 provided that the teacher has Q.T.S, E.Y.P.S, E.Y.T.S or a suitable Level 6 qualification.

Pre-Reception - if the teacher has Q.T.S., E.Y.P.S., E.Y.T.S. or other suitable Level 6 qualification and at least one other member of staff holds a full and relevant Level 3 qualification - the staffing ratio is 1:13. If there is no teacher with Q.T.S., E.Y.P.S., E.Y.T.S. or other suitable Level 6 qualification - the staffing ratio is 1:8. At least one member of staff must hold a full and relevant Level 3 qualification and at least half of all other

members of staff must hold a full and relevant Level 2 qualification. There must be always at least 2 suitable persons on the premises when the children are present.

For pupils aged two years – the staffing ratio must be at least 1:4. At least one member of staff will hold a full and relevant Level 3 qualification and at least half of all other staff will hold a full and relevant Level 2 qualification. There will be always at least 2 suitable persons on the premises when the children are present.

All supervisors and managers must hold a full and relevant Level 3 qualification and half of all other staff will hold a full and relevant Level 2 qualification.

Breaks and lunchtime – ratios are not different, but a reduction of direct staffing is allowed when the children are at rest or sleeping. All relevant staff must be in the vicinity and readily available. Risk assessments will be undertaken to assess the needs and vulnerabilities of EYFS (Early Years Foundation Stage) children.

At least one member of staff present in the Gatehouse Nursery and in Littlegates will hold a paediatric first aid qualification. During outings and visits off school premises, at least one accompanying member of staff will hold a paediatric first aid certificate.

Corporal punishment is not used.

No person may smoke, consume alcohol or be under the influence of drugs which may impair their ability to look after children.

Off Site Visits Including Residential

DfE (Department for Education) Guidelines are followed when arrangements are made for the staffing of off-site visits.

Factors considered include group composition and competence, the activities involved, experience of staff and the requirements of the venue to be visited.

A risk assessment will be carried out so that the staffing ratio is appropriate to circumstance.

If the venue's risk assessment does not state that all their staff are DBS checked and have been appointed in accordance with Safer Recruitment procedures, our own risk assessment will state that pupils will at no time be left alone or unsupervised by school staff.

Before and After School Supervision including Breakfast and Weekend activities

In the event of a serious accident, staff must phone the emergency services.

A risk assessment is carried out so that the staffing ratio and venue is appropriate.
