

Focus on emotions

Pre-Reception have been discussing emotions this week, such as what makes us happy, what makes us sad. Our book of the week is the Colour Monster by Anna Lienas which has helped us to explore our feelings and gradually understand how others might be feeling. We explored colour by mixing paint and talked to the children about differences in colour – for example “How does blue become green?”

In PE we practiced our ball skills, such as kicking, throwing and catching.

This week our wow word is ‘emotions and next week our wow word will be ‘families’.

Have a lovely weekend.

The Pre-Reception team
