# Prep School

Lower 1 online avatars

In our computing lessons we have been thinking about ways we can keep ourselves safe when using the internet. We spoke about how we don't share our personal information with strangers online. To keep ourselves safe and our identity private we made some fun avatars which we could use when we are playing online games. We hope you like them! If you'd like to have another go at home the website is: **www.avatarmaker.com**
