

## Prefects host our first 'welcome to Lower 6' barbecue

The Upper 6 prefects recently hosted and organised their first event of the academic year, a barbecue for the Lower 6 students. This welcome lunch provided an excellent opportunity for the Upper 6 to bond with students both new and old, fostering new friendships and connections. I believe this event marks the beginning of a promising relationship between the two year groups, one that will continue to grow and strengthen throughout the academic year. It was a fantastic afternoon filled with laughter, food, and camaraderie, setting a positive tone for the school year ahead.
