GATEWAYS
SCHOOL

Big school

On Wednesday morning the children arrived ready for their first day at 'Big School!' We went on a tour of the school and the children explored the classroom and outdoor areas. We created a list of 'Golden Class Rules'.

Over the summer break, the children were asked to make a treasure box with items that represent them and their interests. It has been so pleasing to learn about each member of the class! Well done everyone.

The children have all made a really positive start on their learning journey and we are looking forward to the term ahead!
