

## Upper 2 – Singing Children of Africa Choir treat us all

The amazing Singing Children of Africa Choir graced us with their performances this week. With beaming smiles and infectious energy, the choir, from a group of villages in Kenya, shared songs ranging from pop and reggae and Kenyan classics in Swahili. Their visit was a delightful cultural exchange, not only entertaining the children but also teaching Upper 2 their version of Rivers of Babylon. It was a day of harmony and inspiration that left an indelible mark on everyone's hearts.

Mr Mike Arnold and Mr Matt Chandler
