

Celebrating Differences day

On Tuesday, this week, it was 'Celebrating Differences Day' in Prep. It was lovely to see all the children arriving in their own unique clothes, ready for a day of embracing diversity!

The sound of drums could be heard around the whole school as children from Transition upwards took part in a fantastic African Drumming workshop run by Unbeatable Energy. It was great to see how much the children engaged with the drumming and to see all the smiles on the faces of the children as they joined in with the music.

Children also took part in a wide range of activities that linked with the topic of celebrating differences! They tried a variety of different foods from around the world (corn sticks were the keen favourite!), learnt about the artwork of Alma Thomas and participated in a history/drama activity about Rosa Parks.

Food from around the world by also enjoyed at lunch time and it was tricky to choose what to eat as there were so many wonderful choices - spicy hot dogs, gyros, cheese croissants, salads and curries!

A super day was had by all!

Mrs Heather Hallam and Miss Jade Preston
