Pre-Reception – conkers

Pre-Reception have been going bonkers for conkers this week. They pulled on their wellies, put on their coats and went on a hunt for conkers. They squealed with delight when they found conkers and filled their bucket. On the way back from the fields we had a conker rolling competition down the hill. Following on from this interest we threaded, counted, painted and rolled the conkers. At circle time we discussed the texture and the look of a conker in and out of its shell.

In PE we practised our hop, skip, jump and standing on one leg.

This week our wow word is Conkers.

Next week our wow word will be Autumn.
