

Saturday 30th September 2023 Class of 1983 Reunion

On Saturday 30th September, some of the class of 1983 (Upper 5) took a trip down memory lane. Following a reunion lunch at a local venue they visited the school for a site tour with Ms Olbison. They reminisced about their old school days, remembering Mrs Beard (their Headmistress), the Library, the hunting passage and their form rooms in the Dower House.

"Thank you so much – we have all had a fabulous day!"

"Thank you. It was fab to come back to see where we all started our friendships. Happy times. What a great day."

"Thank you for a great trip down memory lane. It was fantastic to see my classmates and have a catch up what a great afternoon it was....
Loved it. Thank you."
