

## Friday night is music night!

On Friday after school, we had our first 'Friday night is music night' concert of this term. These concerts occur every half term and are an opportunity for soloists to perform in front of an 'adoring' audience (family and friends)! We heard some lovely performances from Haley, Emilia, Samaya, Jayan, Ruby, Mia, Lottie, Isabella, Chiara, Seb and Avneet.

Well done to everyone involved and watch out for the next concert in December!
