

Fruit face artwork

This term in art, Transition have been learning all about portraits; we have looked at portraits by a variety of different artists, including Andy Warhol and Picasso.

Over the last 2 weeks we have looked at the work of Giuseppe Arcimboldo and used his creative ideas to influence our own artwork.

We started by making portraits out of different 'lose parts', then creating them with pictures of fruit and vegetables, before finally having fun making faces out of real fruit!

We had some fantastically creative portraits made (and eaten!). Well done, Transition!

Mrs Heather Hallam and Miss Beth Hayter
