

## Guy Fawkes fireworks

Our humanities lessons this half term have focused on Guy Fawkes and the gunpowder plot. The children have thoroughly enjoyed learning about the gunpowder plot and thought about how we remember the failed plot year after year on November 5<sup>th</sup>.

Our learning has inspired some fantastic firework art. The children have used a variety of tools and techniques to create stunning pictures, including the use of plastic forks, toilet roll tubes and silhouettes. We hope you enjoy the artwork as much as we enjoyed making it!

Miss Beth Adamson and Miss Charlotte James
