

Upper 5 devising examination

Upper 5 performed their final GCSE devised theatre piece under examination conditions on Thursday in front of an Upper 4 and Lower 5 audience.

The pupils were given a stimulus and from this they constructed a piece of theatre. This work forms 40% of their overall drama grade.

They decided to create a 'Who dunnit' melodramatic farce, with exaggerated characters and a completely outlandish plot line. Upper 5 are all natural comediennes who bounce off each other, making this performance very entertaining to watch.

Pupils in Upper 4 and Lower 5 have also been learning about devising drama in their lessons. This was the perfect opportunity for them to see an outstanding GCSE performance.

Well done Upper 5, I am very proud of you all.

Mrs Gemma Hamlyn
