

## Knitting and Stitching show in Harrogate

Last Friday our GCSE and A Level textiles pupils went to the annual Knitting and Stitching show in Harrogate for the day. They had the opportunity to walk around all the stalls, to meet current textile artists working in the industry and to look at the exhibition on display.

We watched a live demonstration by renowned artist Wendy Dolan who demonstrated her free machining techniques to the audience and the girls took part in a 90 minute 'doodle stitch' workshop by Jessica Grady.
