

## Prep sport – w/c 6.11.23

The return to school has seen us shift our after-school training sessions to the sports hall to ensure we have well-lit conditions.

The year 5 & 6 rugby group have moved to a Wednesday evening and the girls' football in these years are on Thursdays.

Our other year groups have been straight back to developing their skills in the lunchtime sessions.

Fixtures have begun already as our rugby players travelled to Bronte House for a mini festival on Thursday afternoon - details of our progress will follow in next week's sports report.

In the meantime, congratulations to Ellie pictured above. Ellie signed up for a football camp in the holidays and earned a Player of the Day award during the week. She is one of a growing number of girls who are exploring more opportunities to enhance their footballing development. Well done to all.

Mr Phil Holmes & Mrs Hannah Nichol
