## The Gatehouse and Littlelegates

GATEWAYS  
SCHOOL

### Super socks!

This week at nursery has been all about socks! The children have been creating sparkly socks, listening to stories about socks, describing their own socks, and sorting and matching socks too. We have also continued to learn about shapes, and practise our good manners, sharing and kind words! Our older children also had a great time visiting Littlelegates and playing in the sports hall.

Have a lovely weekend everyone.
