### Under 13 Girls In2 Hockey Tournament Friday 8<sup>th</sup> December 2023

Gateways School's U13 hockey team showcased exceptional skill and determination at the In2 Hockey tournament held at GSAL, where they played against GSAL A and B, Wakefield A, Silcoates A, Kettlethorpe A, and Bradford Grammar A. They secured a commendable 3<sup>rd</sup> place, narrowly losing out to Wakefield Girls. This outstanding achievement is a testament to the players' dedication and teamwork on the field.

In a fiercely competitive environment, the girls demonstrated remarkable prowess, combining strategic plays and individual talents. The team's commitment to digging deep when things got tough was great to see.

Gateways played some outstanding hockey and fulfilled everything we asked for. Over the season, the team's technical ability and understanding of the game have improved, making them a formidable force on the hockey pitch.

The 3<sup>rd</sup>-place finish highlights Gateways School's standing among the top local contenders, and it shows that the school is building a reputation in the hockey community. This achievement is a result of all the hard work the girls have put in PE and Games lessons and their training outside of school, all of which help to build proficient athletes.

It was a tough decision, but the player of the tournament was Caitlin, who was outstanding in every game. Congratulations to the players on this outstanding achievement.

## Thursday 14<sup>th</sup> November U3 & L4 Boys Games

As we prepare for the change to hockey and football next term, the boys finished this term with a 5-a-side football competition. This was eagerly contested and saw the 6 teams involved have many ebbs and flows in their afternoon.

The introduction of a height rule for the ball and the goalkeeping area being off limits to outfield players did cause some confusion and consternation initially, but this soon abated as the boys adjusted to a more skilful and tactical way of playing.

All good fun and the winning team were the oranges of Zion, Austin, Leo, Thomas & Samuel.
